

2011 TGCFSC Spring Show

Solo, Duet, Trio Request

**Prelim - Pre-Juv FS skaters may request a Trio or Duet
Juvenile FS and above may request Solos, Trios or Duets**

Deadline to submit is Tuesday March 15, 2011

There is no additional registration fee for a solo, trio, or duet. However, you must be registered for the show and commit to the group number for your level. You are responsible for any costume or prop costs. In addition, you are responsible for:

- Making arrangement with other members of your group (for trios and duets).
- Arranging for choreography with the coach of your choice.
- Scheduling ice time for practice either during freestyle sessions or April 1-29 during Club Ice.
- Purchasing a costume and having it approved by the show director.
- Being aware of and attending all required practice days and times. Information updates are sent by email, posted on the club website and on the bulletin board in the lobby of Sugar Land Ice & Sports Center.

NOTES

All requests will be considered and as many as possible granted. However, selections are made in the best interest in the show so requesting a solo, trio, or duet does NOT guarantee that you will receive one. You may also be placed in a trio or quartet at the discretion of the show director.

It is critical that all the members of your group be willing to be flexible and cooperate in order to make practice sessions. If, for example, three girls agree to do a trio and one is not available to practice on a regular basis. The number will not be successful and may be cut from the show. If you find you have difficulty agreeing on a schedule, please contact the show director immediately.

Music will be selected and assigned by the show director. If you are assigned a solo, trio, or duet a cut music selection will be provided to your choreography coach.

All costumes must be approved by the show director. If you need help purchasing a costume, contact Rene' Bloom as soon as possible so that your order can be placed with the group costumes. There can be a long lead time in having costumes delivered so this needs to take place early.

*****Please fill out one form per group. All parents must sign the form. Soloists just list themselves.*****

(Circle one) Trio Duet Solo

Skater 1 Name: _____ Highest FS Test Passed _____

I have read and understand the responsibilities: (Skater initials) _____

Parent's Signature: _____

Skater 2 Name: _____ Highest FS Test Passed _____
